

## 2017 Double Knock Outs!

This annual team event is sponsored by NJBL, and counts toward Player of the Year. Have fun playing a bracketed knockout event against a team of your peers. One match every 3 or 4 weeks that you schedule with the other team!

The **NJBL Double KO** event is an opportunity to enjoy playing IMP's in a relaxed atmosphere. Master points earned count towards the NJBL's Player-of-the-Year standings. Teams limited to 4-6 players, and players from other units may participate. Conditions of contest will be distributed to team captains.

The event is a double elimination tournament run in 2 brackets. Each member of Flight B Teams must have less than 1500 MP's as of 12/31/2016. The Open flight is unlimited. You may field a team in one or more brackets. Matches are scheduled every 3-4 weeks by team captains at a mutually agreed site and time (typically, at a club or at someone's house).

***To promote competition, Flight B is handicapped based upon team Masterpoint totals!***
